January / enero

Welcome back to our monthly Safeguarding newsletter. This month we have attached very exciting information about a youth club the school is collaborating with. This club will offer a safe space for students aged 11 + to spend their afternoons.

Bienvenidos de nuevo a nuestro boletín mensual sobre protección infantil. Este mes adjuntamos información muy interesante sobre un club juvenil con el que colabora el colegio. Este club ofrecerá un espacio seguro para que los alumnos mayores de 11 años pasen las tardes.

If your child has medication stored in the school's first aid room, please make sure that it is in date, that any expired medication is collected as soon as possible and that our school records are up to date.

Si su hijo tiene medicamentos guardados en la enfermería del colegio, asegúrese de que estén en buen estado, de que los medicamentos caducados se recojan lo antes posible y de que los registros del colegio estén actualizados.
